# SERVICE & REPAIRS

To secure the best service, please follow these simple steps:

- **Register** your product (fill and return warranty card) as soon as possible.
- Contact tech @ [chauvetlighting.com](mailto:chauvetlighting.com) or call **800-762-1084** and press 4 to request a **return authorization number (RA#)**. Do not send a product without first securing an RA#. Do not write the RA# directly on the box. You must write it on a removable sticker, i.e., a shipping label.
- Units must be in the **original packaging** with all original accessories. Do not write anything on or alter in any way the original box. Any damage from inadequate packing or carrier mishandling is the sole responsibility of the sender. We strongly encourage that you double box your return and insure your package.
- All shipping charges must be **pre-paid by the sender**. CHAUVET will, at its own expense, return the repaired product to the sender provided that the return address is within the 48 contiguous States of the USA and DC and that the product is still under warranty (proof of purchase required. Please see warranty details on back page). We will ship best way at our discretion.
- **PRODUCTS NOT UNDER WARRANTY:** Please notify your CHAUVET service advisor that your product is no longer under warranty when you request your return authorization number. Once the unit is received, you will be contacted and advised of the cost of carrying out any repair unless that cost does not exceed \$35.00 USD, in which case the repair will be performed without seeking your prior approval. Repaired unit(s) will be shipped back to you upon receipt of payment for all work performed and return freight charges.

*CHAUVET is not responsible for any loss or damage to additional items or accessories that are sent with returned products. We cannot be held responsible for delays in shipping. There is no obligation or liability on the part of CHAUVET for consequential damages arising from the use of the product or any indirect damages with respect to loss or property, revenue, or costs of removal, installation, or re-installations of fixtures.*
