

There's No Reason to Wait for Reason 5

Purchase [Propellerhead® Reason 4 software](#) and/or [Record 1.0](#) now and get a free upgrade to the corresponding software version!

[Reason](#) is a virtual studio with the tools you need to turn your musical ideas into reality. Create a quick drum machine pattern to practice to, or a whole band with real drums, piano, and an array of cool loops. [Record](#) is Propellerhead Software's brand-new recording software that features unlimited audio tracks, world-class effects and mixing gear, and a whole new take on music recording.

Reason 5 and Record 1.5 are poised to inspire with their own substantial collection of updates.

Any purchase of Reason 4* and/or Record* 1.0 made on or after May 24, 2010, is automatically eligible for a free upgrade to its corresponding software version. (Purchase must be made from an authorized Line 6 U.S. dealer. Hang on to your receipts and the original UPC code from box – both are required to receive the upgrade.)

Stay tuned! Further details and submission forms will be available when Reason 5 and Record 1.5 ship!
